Sample of Plaintiff's DMCA Take Downs and Report

The below report was submitted to Plaintiff on behalf of its DMCA agent. Plaintiff receives a similar report approximately every two days. This report was submitted on October 1, 2012.

Hi Brigham & Colette,

Today I did quite a bit of work on the DMCA front, checking out the usual spots as well as doing some Google and Filestube investigation. Along the way I came across a site that had a large number of updates uploaded to several filesharing services. Adultdll.com took a while to research but I got everything cleared out and DMCA notices. I have send a DMCA to Google to suppress their links. Once its approved, I will work on getting the posts down and elevate it to a hosting claim if necessary.

Here's a breakdown;
