Jonathan, I have no problem with how they were handled. However, just between you and I, Charles would not know the truth if it bit him in the ass.....I did not know that he had a Dell computer that he used at work. **If I was a gambling man, I would bet that he used that computer for the infringement.** This is something we may need to check out. **His deletion denial was hard to swallow and inexplicable.** Lastly, I think it is really odd that they both visited the same adult sites regularly, but never together. It seems a bit odd !

Best Regards,

Paul Nicoletti
