Mr. Hoppe:

Our attorneys read the court's January 30, 2014 order as precluding us from producing the subpoenaed Information until the courts acts on the outstanding motions. Thank you for understanding.

Dear Ms. Barron:

That is flatly outrageous! Your attorneys are not empowered to functionally rule on Mr. Pietz's request for a stay prior to the Court ruling on the same. I expect full compliance with all of our subpoenas unless and until the Court orders a stay of the same. I would hate to see the goodwill we have enjoyed breakdown over this issue. Please put me in touch with your counsel immediately!
