

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA

MANNY FILM LLC,

Plaintiff,

v.

JOHN DOE SUBSCRIBER ASSIGNED IP
ADDRESS 174.49.168.237,

Defendant.

CIVIL ACTION
NO. 15-1177

ORDER

AND NOW, this 7th day of July, 2015, upon consideration of Plaintiff's outstanding motions, it is hereby **ORDERED** as follows:

1. Plaintiff's Motion to Strike (Doc. #9) is **GRANTED IN PART AND DENIED IN PART**.

- a. The Court approved docketing of the letter listed as Doc. #8 for the sake of a clear and complete record in the event it was submitted by the unknown defendant acting *pro se* and attempting inexpertly to file a motion to dismiss; however, the Court accepts Plaintiff's representation that the sender of the letter is likely not the defendant. Further, the letter is indeed procedurally deficient; therefore, Doc. #8 is hereby **STRICKEN**.

- b. Plaintiff also requests that the Court "unseal" the envelope in which the letter arrived in order to discover if the sender's name is listed with the return address; however, the envelope is not "sealed" but is simply not part of the document, and that document is itself now stricken. The Court declines to divert from the course

of this action by making deliberate arrangements to share the envelope with Plaintiff.

2. Plaintiff's First Motion for Extension of Time to Serve Defendant

(Doc. #10) is **GRANTED**.

- a. Plaintiff shall have until Monday, September 7, 2015, to effectuate service of the complaint in this matter.
- b. This order shall serve to inform Defendant's ISP that no letter or motion to dismiss is currently pending in this matter.

BY THE COURT:

/s/ Jeffrey L. Schmehl
